END OF PRODUCT LIFE / LAST TIME BUY OPTION M3H-0209xHSM

Marki Microwave announces the end of product life for our part numbers M3H-0209xHSM-1 and M3H-0209xHSM-2, in connection with the obsolescence of the entire "HSM" surface mount package. Effective immediately, we are opening a 30 day window through December 10, 2009 for users of this part to make a last time buy. After that date, no new orders for M3H-0209xHSM will be accepted or processed.

Special terms will apply to all last time purchases, as follows:

1. Orders will be NON-CANCELLABLE, NON-RETURNABLE.
2. Orders of ≤ 100 pieces will be shipped in one lot and must be shippable within 30 days of the purchase order date.
3. Orders of > 100 pieces may be shipped in a maximum of 2 lots and must be shipped complete within 60 days of the purchase order date.
4. No units will be accepted back for evaluation or repair; use is at buyer's risk.

There is no equivalent replacement offered for this package style.

Please route this announcement to any and all concerned personnel within your organization to assure that requests for quotations and orders are received in a timely fashion.

Best regards,

Sales Department
